# Fox Meadow Country Club

## 2016 Junior Golf Program

The 2016 Fox Meadow CC Junior Golf Clinic will provide a positive golf learning experience for your children. Our goal is to introduce important techniques as well as educate, excite, and motivate each junior golfer. Thank you in advance as we will need your assistance as a volunteer on several dates in July and August to go on the course with the golfers. With the number of students last year, we will be dividing into two groups based on age first, then ability second.

**For the 2016 program, we are going to allow the participants to “Bring a Friend” who may not be a member of the club. We want to build the program and the membership, as well as have the kids build relationships along the way. Let you son, daughter, or grandchild invite their best friend to come and enjoy the JR. Golf program here at Fox Meadow.**

There will be a Registration day held on Sunday May 22<sup>nd</sup> at 4:00pm. On this day we will take any registration forms at this time. Feel free to stop by the pro shop anytime to drop off the forms.

Two things will maximize the success of our clinic. A focused, interested, and behaved junior is most important. The help of the parents and grandparents volunteers can also be advocates for proper behavior and etiquette also makes a difference.

Registration Day on Sunday May 22<sup>nd</sup> at 4:00 pm will help us tremendously with the placement of your golfer. This registration day is mandatory for everyone; any conflicts please contact the Golf Shop staff. If there are any questions at all, please do not hesitate to contact the Fox Meadow Golf Shop to speak with the Head Golf Professional Chris Lawson. We look forward to providing this one of a kind golf learning experience for your children and grandchildren.

### **Dress Code**

Our juniors must know that golf has rules, and responsibilities. This starts with being on time. Please have your child ready ten minutes prior to start time of each clinic. Next is dress code. We will expect the following:

- Collared shirt on all participants
- No jeans or denim
- Tennis shoes are okay, but no open toed shoes
- When on the course please no gym attire.

## **Level 1 (Beginner)**

### **Average Ages – 10 and under years old**

- This is the level for those who are brand new to the game of golf or have only participated for a couple of years
- The junior golfers will play par 3 holes from 100 yds. Par 4 holes from 150 yards and par 5 holes from 200 yards.

Level 1 will be the most diverse group where all junior golfers begin. We will focus on the basics of full swing, chipping, pitching and putting. We will make them aware of their score but not required to keep score. The golfer will learn some basic rules and etiquettes. Each golfer will be motivated by the evaluation process in which a Level 1 bronze, silver, or gold status can be achieved in each area of the game.

## **Level 2 (Intermediate)**

### **Average Ages – 10 to 16 years old**

- The junior golfers will use the red tees on assigned holes, and the 200 yard marker on others.
- They will be recording their score, playing by the rules of golf.
- A player will attempt to hit over water twice; if unsuccessful they will drop on the other side and take the appropriate penalties

Level 2 is an exciting group that continues to learn the basics of the full swing, chipping, pitching, and putting. They will continue to gain knowledge of the Rules of Golf and etiquette. Each golfer will again be evaluated on each part of the game achieving Level 2 bronze, silver or gold status.
