February 2018

From the General Manager

Hello to all Fox Meadow Members:

As I mentioned last month, our Food & Beverage department is going through some exciting program changes. This will be the theme for the year, change, for this department as we plan to create an always enticing menu and atmosphere as well as strive for consistent, high-quality food and service. For instance, in February, we have a new Tuesday night dinner special, Taco Tuesday's! For those of you that enjoy a glass or even a bottle of wine, you'll want to come dine with us on Wednesdays as are new special is Wine Down Wednesday. Also, starting on Friday, February 16th we will be running our always popular Friday Night Fish Fry. This will run throughout lent, until Friday, March 23rd. On top of all of these changes we are looking to put out a new Happy Hour and Main Dining menu sometime during February!

For those of you that are new or perhaps just didn't know that we have a night where we like to recognize our members' Birthday's and Anniversary's, we do! It is always the last Wednesday of each month and if you are celebrating your Birthday with us you will be receiving a free appetizer! If you are celebrating your Anniversary with us you will be receiving a free dessert!

Below are the events that we have coming up in February:

- Live Entertainment with John Gall on Friday, February 2nd
- Big Game (Superbowl) Party on Sunday, February 4th
- Kid's Valentine's Day Cookie Decorating on Saturday, February 10th
- Valentine's Day Dinner on Wednesday, February 14th
- Trivia Night on Wednesday, February 21st
- Battle of the Beers on Saturday, February 24th
- Birthday & Anniversary night on Wednesday, February 28th

For more details on these events please look for the specific emails promoting these events or call the clubhouse at your convenience. As a reminder, all Clubhouse events do require a reservation to attend. To make a reservation please go onto our website, select the calendar under the club info drop down menu and then select the event you wish to attend. Finally, fill out the pertinent information regarding your reservation. If you have any questions or just wish to sign up via the phone please call the club at (330) 723-4653.

Thank you for being a member at Fox Meadow Country Club, if there is anything that I can help you with please do not hesitate to reach out to me. My email is rsmysr@arcisgolf.com and my direct line is (330) 723-4653 ext.405.

Respectfully,

Rob Smyser

Golf News

Happy February Everyone,

Lessons Update: The winter has been brutal, however we are just a few months away from the season starting back up. If you haven't noticed already, the Ladies card room is set up with our indoor hitting mat and net for practice. The room is available during our open hours to hit and practice with the indoor golf balls provided for you. If there is a lesson scheduled at the designated time that will have priority. Lessons will be posted and updated on the door daily. If you would like to book a lesson please email Todd Ekstrand at tekstrand@foxmeadowcc.com with the pertinent information. The schedule and available times will be posted for your viewing 3 weeks out.

Score Posting Update: Northern Ohio Golf Association is excited to announce a new score posting season. The active score posting season will now start March 15, 2018 and extend through November 30, 2018. As a reminder, you are posting scores yearly if playing at a 12-month facility. Many members travel south for the winter and may not realize this.

Course Update: We would like to address the whispers about course conditions and if the course is playable when the snow melts. I know last year at the end of the month we had an Indian summer which generated a lot of play. If we receive an extended period of time where the temperatures allow for snow thaw, water drainage, and playable conditions, an email blast will certainly go out from the club notifying our membership and the opportunity to come out and play. Who doesn't like to get a few rounds of golf in, especially when it's February.

Junior Golf Update: Two weeks ago Brad and I were able to attend a PGA Junior League seminar and the importance of Junior Golf to its membership. In 2017 we were able to establish our first ever team and create some buzz for our Junior Golf Programs. One interesting fact from 2017 is that 80% of all kids who signed up for the PGA Junior League registered as a beginner or recreational golfer, demonstrating the developmental nature of the program. We are excited to say that this is a great driving force to our current members or a non-member family or friend looking to join the largest growing youth sport in America. Registration for our team begins February 1st, 2018 and opened to the public. To register please go to: <https://www.pgajrleague.com/> (copy and paste into search browser). There are many new items this year which include: home & away jerseys with pick your own number, boys & girl sizing, online PGA Junior League Store, and a drawstring bag to hold everything in.

Membership of Fox Meadow:

During the month of February, we will be continuing our efforts on getting all of our equipment repaired and ready for the 2018 season. Tony has been doing a great job in keeping a steady pace, with all of our Greens mowers ready to roll out of the door, and tee mowers not too far behind. Next items on the docket will be our fairway units, followed by rough and trim mowers, and last but not least our utility carts. As mentioned in prior Newsletters, the repair process includes: washing/scrubbing, servicing/replacing wear items, grinding, painting, and finally putting back together.

On the indoor project side, Scott has built two new shelving units as well as a hose rack. One shelving unit is for ease of getting to our backpack blowers from the main storage area, the other shelving unit is in Tony's shop and set up for Pam to have a clean, organized area for her planting supplies/materials. The hose rack, also in main storage, will provide quick and easy access to our 1" hoses that are used for hand-watering. Lastly, we will be constructing a new chemical storage area inside of our main storage area. While most of our chemicals are stored in the pump house, the new area will allow us to more efficiently load the sprayer at the shop, which is ideal for us because of the shop's central location to the golf course.

On the golf course, we have cut down a few trees on the left of #6 and will continue cutting down and trimming trees around the entire golf course as time progresses.

Other tasks that we have planned for February, aside from those mentioned, include:

- Painting tee markers
- Painting #6/#12 divot boxes
- Scrubbing trash cans
- Washing par 3 divot boxes
- Making stakes (for traffic control)
- Ordering fresh golf course accessories

The early forecast for February looks to be quite cold and a decent threat of snow. We're hopeful to be able to get outside and tackle some of that tree work mentioned, while balancing the needed work inside. Have a great February and Stay Warm!

Kind Regards,

Jeremy P. Slota

Membership News

Happy February Fox Meadow Members!

Well, I haven't a clue where January went! It looks like 2018 is already starting to fly by, and before we know it, it will be summer again and we will be back out on the golf course, pool and, my personal favorite, the patio!

If all goes as planned, I will be leaving for maternity leave the last week of February, beginning February 26th and will return the second week in April, around April 10th. If you have a membership question or need help with anything while I am gone, please contact Rob Smyser in the main office. If you have a membership referral or have a family member, friend or colleague interested in membership, please contact Rob as he will have all of my membership information and would be more than happy to reach out to them on your behalf.

There is still time to receive a \$25 to \$75 dues credit for 12-months with our current Member Referral Offer as it has been extended until the end of February. Members have already been taking advantage of this wonderful program and are lowering their dues for an entire year! Growing the Club through referrals is the healthiest way to promote and guarantee long-term success of the Club, not to mention the fact that the energy and atmosphere surrounding the Club is more enjoyable when there are more of your friends!

Refer a Full Golf Member, receive a \$75 dues credit for 12-months
Total Dues Credit Savings \$900

Refer a Junior Full Golf Member, receive a \$50 dues credit for 12-months
Total Dues Credit Savings \$600

Refer a Social Golf or Social Member, receive a \$25 dues credit for 12-months
Total Dues Credit Savings \$300

Referring multiple people during this promotion will extend your dues credit for an additional 12-months, not be added to your current dues credit

The snow wasn't able to keep membership cold in January! We added 4 new families to the Fox Meadow family and welcomed one current families to their new membership categories! Please join me in welcoming the Sidoti Family, Shurilla Family, Cory Family and Allison Family! We are so happy to have you all with us!

Thank you, as always, for your continued support of your Club. I hope to see you all before the end of this month, but if I do not, I look forward to seeing everyone when I return mid-April!

Respectfully,

Brittany Lawson

Fox Meadow Pride

NEW at Fox Meadow

We are very excited to announce that Fox Meadow has begun a new program for its Members and team members called Fox Pride Club. Members are now able to recognize any team member individually that exceeds the members expectation and would like the employee to be recognized for their outstanding service.

Once a team member has been recognized by a Member, they will be showcased in the monthly newsletter as well as receive a "Fox Meadow Pride Pin" to wear while working in recognition of their hard work.

If one of our team members has exceeded your expectations and you would like to have them recognized, please contact Rob Smyser with the team members name and reason for recognition.
