

# FOX MEADOW COUNTRY CLUB JUNIOR GOLF PROGRAM

The Fox Meadow Country Club Junior Golf Clinic will provide a positive golf learning experience for your children. Our goal is to develop lifelong golfers. A well rounded program will consist of rules, etiquette, and instructional clinics as well as fun activities that will promote the learning experience. Throughout the instruction sessions, we will incorporate game based learning to create fun and competitive learning.

The most important aspect of our clinics will be creating a fun experience for juniors so they can reach their highest potential through basic instructional programming. Game Fundamentals, Etiquette & Rules, and Swing Fundamentals are just a few things our team will focus on to improve all junior golfers.

Our program encourages the "Bring a Friend" to junior golf mentality. Some of our members have friends who may not be a member of the club. We want to build our program and create a strong membership in the process. We notice that children build lasting relationships along the way. We encourage your son, daughter, or grandchildren to invite their best friend and enjoy the Junior Golf program here at Fox Meadow.
