

LADIES “LITE”

CLINIC

Moved to Thursday's

With the excitement around golf season we would like to bring more attention to the ladies of Fox Meadow. The Thursday Night Ladies “Lite” Clinic which moved back from Tuesday’s, is about a group lesson environment for the less experienced player. Learning is more fun when surrounded by friends who are just as new to the game as you. That doesn’t mean the more experienced players can’t join as well. This amazing opportunity is open to anyone looking for an easier way to learn the fundamentals of the golf swing along with some course management strategies while playing the game we love.

This structured program is designed for a purpose. We start off the program with a simple introduction into the game of golf. We will go over some of the basic rules of golf, etiquette, dress code, and a meet and greet with your golf professionals. All ladies have the opportunity to attend any and all clinic dates listed. On those dates provided you will receive very specific instruction from **5:30 to 6:15pm**. This program follows a specific pattern to help with learning the golf swing. We start off with the putting stroke. Why you might ask? The putting stroke is the movement of the fewest parts and the shortest swing. Once we establish a good putting stroke and technique, we can move forward with the swing with more moving parts. We will gradually build to the full swing and start submitting for our LPGA cards, right?

Sign-Up Sheet:

To make it easier on both parties, we ask that you call or talk to a Professional in the shop by 4:00pm **DAY OF** the clinic so we know how many Instructors will be needed and who is attending the clinics. The Golf Shop will have the signup sheets posted by the stairs for viewing. You can bring as many friends as you’d like if you see a certain topic they would enjoy. #330-723-5536

*****You do not have to play golf after the clinic, this an opportunity for you to go play afterwards. If you plan on playing, please inform the golf shop.***

Once you are finished please stay and enjoy dinner and drinks on the patio to share some stories of the good, bad, and ugly shots from the evening.
